 - **CUR Fellows Award for Excellence in UR Leadership**
 - **CUR Arts and Humanities Faculty Mentor Award**
 - **Silvia Ronco Innovative Mentor Award**
 - **CUR-Goldwater Scholars Faculty Mentor Award**
- The AURA award recognizes institutions with exemplary programs that provide high-quality research experiences for undergraduates. **Letters of Intent** to be considered for the 2025 AURA Award are due by July 24, 2025.
- The Geosciences Division is accepting nominations for its Early Career Mentor and Faculty Mentor awards. **Details for each award here.**

Celebrating 10 Years of the AURA Award at the Awards Celebration Ceremony

"The AURA award says to future students, if you want opportunities to ask and investigate your biggest questions, if you want to challenge yourself to be innovative and creative, if you want a community that will coach you and be by your side in the lab or in the studio, we have a place for you."

- College of St. Benedict & St. John's University, 2023 Recipient

Award Celebration RSVP

CUR is busy working on your behalf; we are in meetings, taking calls, and telling the story about the importance of URSCI. We are hearing your voices and we will keep doing the work necessary to advocate for undergraduate research, you, and your students. **Visit our Advocacy webpage** to stay up-to-date on all the ways CUR is advocating on your behalf, advocacy resources, and the action steps you can take.

We know these times are uncertain and while we don't have clear answers for you yet, this community is here alongside you. If you haven't done so already, **renew your CUR Membership** by June 30, 2025 to stay connected to this amazing community of people dedicated to the future of undergraduate research.
